***Assistant Majority Leader Kevin de León Appointed to the State Allocation Board***

**SACRAMENTO**—Assistant Majority Leader Kevin de León announced today his appointment by Assembly Speaker Fabian Núñez to the State Allocation Board.

“I look forward to working with my colleagues on the oversight of the new school construction and modernization funds,” said Assistant Majority Leader Kevin de León. “In approving Proposition 1D, the School Bond, the voters of California have entrusted us with a significant and much-needed infusion of funds that will build new schools, aid in class size reduction, and help to modernize our existing school facilities.”

“It is extremely important that we do everything possible to ensure that these funds are invested wisely and meet the needs of our communities.”

The State Allocation Board is responsible for the allocation of proceeds from General Obligation Bond Issues and other designated state funds. The Board is also responsible for the administration of the School Facility Program, the State Relocatable Classroom Program, and the Deferred Maintenance Program.
